The top photograph shows a grey plastic component labeled 'H47(H19)' with a brass pin being inserted into a hole. A red arrow points from the text 'Brass 34A' to the pin. A yellow block is visible in the background.

The bottom photograph shows the same grey plastic component 'H47(H19)' with the brass pin 'Brass 34A' fully seated in the hole. A red arrow points from the text 'Brass 34A' to the pin. A yellow block and a brass rod are visible in the background.
