

This diagram illustrates the assembly of a model ship's hull. The main assembly is shown in an exploded view, with parts labeled as follows:

- U15**: Upper hull section with a 180° rotation arrow.
- U36**: Multiple small rectangular plates used for reinforcement or decoration.
- U40**: Small rectangular plates.
- U47**: Small rectangular plates.
- U50**: Triangular plates with circular holes, with a 180° rotation arrow.
- U38**: A curved plate, with a quantity of **X3** indicated.
- U38+50**: A combined assembly of U38 and U50 parts.
- U42**: A small circular component.
- U13**: A small rectangular plate.
- U16**: A long, thin rectangular plate.
- U19**: A long, thin rectangular plate.
- U21**: A rectangular plate.
- U11**: A rectangular plate with a cross-hatch pattern.

Assembly instructions include rotation arrows (180°) and quantity markers (X3). Two small inset photos at the bottom show the assembled model being fitted into a white plastic hull.
