

The image displays three views of a model ship deck, likely a battleship, with various components labeled with red numbers for identification. The labels are as follows:

- Top View:** 62, 56, 58, 60, 80, 54, 52, 167, 282, 65, 80, 66.
- Middle View:** 81, 65, 53, 55, 61, 59, 57, 63, 161, 282, 60, 58, 62.
- Bottom View:** 82, 79.

The model is primarily grey with yellow-tan deck areas and white railings. The labels point to various structures, including gun turrets, gun mounts, and deck features.

No. 2 Platform

457

480

The diagram shows the assembly of the No. 2 Platform. It consists of two main parts: a base (457) and a railing (480). The base is a yellow, four-legged structure with a central platform. The railing is a yellow, rectangular frame. A blue arrow points from the base to the railing, indicating they are assembled together.
